Our Priorities/Areas of Interest - While we seek to support a wide range of community needs, donations will generally be made to charitable non-profit organizations that have the greatest opportunity for positively affecting the communities CFLC serves, and are focused on one or more of the following categories:

1. Human services such as community health and safety needs.
2. Culture & Arts such as cultural and learning centers/libraries, cultural identity, historic presence.
3. Civic and community programs, such as volunteerism, clean-ups, events and projects.

Constraints - Donations will not be made to:

1. Individuals for their personal benefit
2. Funds that will ultimately be passed through to other organizations
3. Efforts intended to propagandize or for influence legislation and elections or to support political activities
4. sectarian or religious organizations or activities whose principal activity is for the primary benefit of their own members
5. Funds intended to pay off long-term loans, debt retirement or operational deficits.
6. Organizations operating outside any state or territory of the United States

Evaluation Criteria - Our considerations will include:

1. Will the activity by the beneficiary serve the needs of the local community?
2. Is there evidence the organization has the confidence and support of the community?
3. Has the beneficiary previously received similar support from CFLC?

Limitations of Donation - How much will be donated? Funds will be based exclusively on **net proceeds** from the Cabaret Follies performances (every two years). CFLS will make every effort to disburse the funds within sixty (60) days of the last performance.
